Dear Matt and Dan:

As I look back on our successes of 2004, I wanted to stop and take the time to send you a note of appreciation for a job well done at the Naval Base Ventura County housing project listed above. Your firm's dedication, loyalty, hard work, and honesty have truly played a large part in the project's success.

Your incomparable support and cooperation helped the project finish 5 months ahead of schedule, with no lost time accidents, and an outstanding performance rating.

I look forward to future jobs and successes with your firm!

THANK YOU FOR A JOB WELL DONE!!
