Dear Dan:

Thank you so much for your participation in the Spokane Lock-up. You were an excellent "jailbird" and I wanted you to know how much we appreciate your involvement. The grand total raised in Spokane in just two days was \$45,044.00.

Wow! The community support in the Spokane area was overwhelming. The badly needed money raised will go to help MDA continue to provide services to those in the area who live daily with the devastating effects of neuromuscular disease. Just this year MDA is spending even more dollars to help our clients with the rising cost of repairs to wheelchairs and braces. As well as continuing to provide financial assistance to the purchase of new wheelchairs and braces.

Again, thank you for helping MDA make a difference in the lives of those we serve.

Sincerely,

A handwritten signature in black ink that reads "Jana".
