Dear Friends:

Maggie and I thank you very much for your most generous support of the Ready to Learn program to collect school supplies for needy children throughout Hawaii.

This year, we hope to provide school supplies to every needy child who asks for a helping hand. It is one of the wisest investments we can make in Hawaii's future. Through your support, we can help to ensure that all children go back to school bright-eyed, confident and ready to learn.

Please retain this letter as a record of your contribution. In compliance with IRS guidelines regarding documentation for charitable contributions, please note that no goods or services were provided in exchange for your **\$200.00** contribution which was recently received by Helping Hands Hawaii, parent organization of Ready to Learn, Tax ID No. 23-7365077.

Armed with pencils and crayons, tablets, papers and binders, we encourage Hawaii's children to reach for the stars and never settle for second best. Thank you again for your support.

Aloha,

U.S. Senator Dan Inouye
